RE: Declaration of Local Disaster

Dear Governor Abbott,

As defined under Government Code 418.004 (1)

The occurrence of widespread severe damage due to drought, wind, storms and excessive heat has damaged crops in Lynn County causing lower yields, poor grades on cotton and other crops. Creating a hardship on farmers, bank loans, future production yield evaluations. Due to these events in Lynn County has suffered a 36% loss. For the reasons stated above I am requesting that Lynn County be declared a Disaster County.

Sincerely,

Mike Braddock,
Lynn County Judge

MB/lm
